

ALBERTA SPOR SUPPORT UNIT

SUMMER INSTITUTE 2020

Beyond Research: Transforming Health Systems

MAY 11-13, 2020 | SHERATON EAU CLAIRE | CALGARY

We invite researchers, patients, clinicians, students and others to join us and learn more about:

- Innovative methods in knowledge synthesis, knowledge translation and/or implementation science
- Innovative patient-oriented research techniques in clinical trials
- Leveraging Alberta's provincial data resources for patient-oriented research
- Practical approaches to meaningfully engage patients in health research
- Innovative methods for conducting patient-oriented research
