

# Give Your Opinion - Make it Count!

## Primary Care in Richmond

Join us to share your experiences and ideas for how health care providers can support you in achieving improved health!

**Free online Mandarin event:  
Community consultation &  
opportunity to learn about  
primary care options in Richmond**

**Monday, March 29, 2021  
2:30pm - 4:00pm**

**Virtual seats are limited, so  
register now!**

**Event will be held via Zoom.  
Register to receive event link.**

### At this session, you will:

- Be introduced to the Richmond Primary Care Network, which consists of a team of health care providers who aim to improve patient care in Richmond
- Share your opinion and experience around health service access, primary care provider roles, and culturally-sensitive care
- Provide your input on changes coming to the health care system and find opportunities on how to get involved
