PATIENTS AND FAMILIES: THE WEBINAR SERIES
PRESENTS

DEMYSTIFYING INFORMATION SHARING AND PRIVACY

Presenters: Anita David, Margo Dent, Becky Hynes

Host: Victoria Maxwell

Join our panel of experts in this webinar focused on navigating information-sharing and privacy legislation as healthcare providers, families, and patients.

Our webinar will demystify what client information can and cannot be shared, dive deeper into the Freedom of Information and Protection of Privacy Act (FIPPA), help you understand the rights of patients and families regarding information access, and equip participants with valuable communication strategies and tips when interacting with providers.
